

Privacy Policy for ProcuChain

Effective Date: May 11, 2025

At **ProcuChain**, your privacy isn't just a feature — it's a core value. This Privacy Policy explains how we handle your personal data with respect, security, and transparency.

1. Who We Are

ProcuChain is a decentralized procurement platform committed to protecting your privacy. Our systems are designed to collect only what's essential, respect your consent, and put you in control of your data.

2. What We Collect — And Why

We only collect data necessary to provide, secure, and improve our services.

Types of data we collect:

- **Account Information:** Name, email address, and organizational details when you register.
- **Transaction Data:** If you use blockchain features, relevant metadata may be recorded on-chain.
- **Technical Information:** IP address, browser type, device details, and access logs to protect our platform and users.
- **Cookies:** Minimal and privacy-conscious tracking to help maintain session integrity and improve usability. We do not use third-party ad cookies.

3. How We Use Your Data

We use your information only for:

- Providing secure access to ProcuChain services
- Authenticating and managing user sessions
- Preventing fraud and maintaining system integrity
- Communicating updates or responding to your requests (only if you've opted in)

We **do not** use your personal data for profiling, advertising, or resale. Your information is never used beyond what is necessary to run ProcuChain.

4. How We Protect Your Data

Security is foundational at ProcuChain. We implement:

- End-to-end encryption for data in transit
- Secure storage with access controls
- Regular security audits and patches

Blockchain data, by design, is immutable and public. However, we minimize exposure by storing personal information **off-chain** where possible.

5. Your Privacy Rights

We empower you to control your data. You have the right to:

- Access the data we store about you
- Request corrections or deletion
- Withdraw consent for data processing
- Export your data in a portable format

You can exercise your rights by contacting us directly at **semilla.leodyver@minsu.edu.ph**.

6. Data Sharing and Third Parties

We **do not sell, rent, or share** your personal data with advertisers or unrelated third parties. Any sharing is limited to:

- Service providers under strict privacy agreements
- Legal authorities only when required by law

We review all third-party services for compliance with our privacy standards.

7. Data Retention

We retain personal data only for as long as needed to fulfill our services and comply with legal requirements. Blockchain data cannot be deleted, but we avoid storing personal information on-chain.

8. International Users

ProcuChain is based in the Philippines but accessible globally. If you are accessing our services from the European Union or other regions with data protection laws, we process your personal data in accordance with applicable regulations such as the GDPR. We are committed to upholding your privacy rights regardless of your location, including the rights to access, correct, delete, or restrict the processing of your personal information.

9. Changes to This Policy

We may revise this policy from time to time. You will be notified of any significant changes, and the "Effective Date" will always reflect the latest version.

10. Contact Us

We welcome your questions, feedback, and requests regarding privacy.
